AUTOMNE - HIVER 2023

FALL - WINTER 2023

FW23 BEDDING COLLECTION

INEZ PAISLEY

Inez réinvente un motif cachemire floral sur fond rouge sophistiqué du XVIIe siècle ; le motif accompagne une parure de lit blanche et marine, un motif écossais surdimensionné éclatant et des accessoires brodés raffinés.

Inez reimagines a sophisticated red ground seventeenth century Jacobean print layered with navy sheeting, a bold oversized plaid and refined embroidered accessories.

INEZ TARTAN

Puisant son inspiration dans les motifs tartan traditionnels, Inez allie motifs classiques et détails inspirés du vestiaire masculin moderne. Le délicat tissu teint en fil est associé avec audace à des coussins brodés et des coussins carrés tattersall. Les textures et motifs évoquent de nombreux détails vus sur les costumes masculins.

Taking inspiration from traditional tartan, Inez combines classic motifs with modern menswear. The delicate yarn dye is boldly layered with embroidered throw pillows and tattersall euros. The combination of texture and pattern gives a nod back to the many layers seen in men's suits.
